**“The Tug of War has ended”**

As some of you may have heard there has been an on going battle between Anthem and the Health Alliance of Greater Cincinnati. The Health Alliance was scheduled to exit the network as of April 1st, 2007, however contract negotiations were to continue through March 31, 2007 in hopes to reach some sort of agreement. I am happy to report that they have reached an agreement and the contract will be extended through March 31, 2010. Details of the contract are to be finalized over the next few weeks.

To learn more about the Extended Agreement in the upcoming weeks, you can log onto Antheims Web Site at [www.anthem.com](http://www.anthem.com).

Anthem has a very informative site. You can access anything from providers to past and future news releases, so make sure you take a look.

Have a Safe Day!

Jann

**2006 Driver of the Year!**

**Paul Francis**

**Terminal 870 DuPont**

Paul has been a model driver since he started with LMI. He began as a Company driver and then took advantage of our Lease Purchase Program and purchased his own truck. He’s being presented with Driver of the Year for many reasons. He has one of best go getter attitudes and is always there to depend on. He never turns down loads. His VFRM safety record has been 0% since coming aboard. His equipment is always shining, including the wheels and tires of the trailers he hauls. Paul has always gone the extra mile and constantly does whatever it takes to get the job done.

For these reason, we have presented Paul with the Honor of Driver of the Year.
