“Compare & Save”

“Health Care Comparison” Spread the Word!

Did you know that different healthcare organizations can charge different prices for the same service? This could mean extra money out of your pocket if you share healthcare cost.

Anthem has a new pioneer program on their web site for participating counties in Ohio, Indiana, & Kentucky. It is a innovative comparison tool that discloses real price ranges for common services at specified health care organizations.

How will this help Anthem Members?

Since different providers charge different prices for the same service, a clear understanding of price and performance can help you make informed decisions.

Is this meant to replace my doctor’s recommendations?

Not at all. Treatment decisions are based on many factors. Use the cost information when talking to your doctor about which facility is best for you.

For more information log on to www.anthem.com. Then click on My-Health>Healthcare Advisor> Anthem Care Comparison or call Anthem @ 800-552-9159.

If the answer is yes, then put on your artistic cap and get to drawing.

We are looking for a design for our Summer T-Shirts, so we have decided to see how creative the LMI and CARE Team can be. There are going to be 3 cash prizes awarded for 1st, 2nd, and 3rd place winners.

The 1st place winner(s) design will be featured on the Summer T. All designs must be original and not copyrighted material. You can enter the contest by yourself, with other employee’s or as a group, however the amount of prizes awarded will be split among the employees on the team.

If you would like to participate in the contest, please pick up an entry form from your terminal manager.

See flyer for contest rules and regulations. Good Luck!

The Results are In!

Survey Results

We recently put out surveys to get feedback from all personnel on two different topics, one being our Safety & Recognition Banquet and the other on the efficiency of our payroll department. Bob and I would like to thank those of you who took time to provide your opinion! Here is a summary of what we received.

Safety Banquet

- The Majority of folks like having the Banquet as opposed to a Christmas Party or any other type of party.
- It was divided evenly between those who like having customers attend and those who didn’t.
- Most would rather have cash as Years of Service recognition instead of gift cards.
- Dancing and DJ is most popular for entertainment, but a lot of people enjoy having both that an the gaming tables.

Payroll Services

- We were very pleased to see that the overwhelming response was that if there is a payroll issue, we are resolving it quickly and efficiently and that we are accessible the majority of the time.
 - The majority haven’t had any issues with their paycheck at all.
